Subject June, 2005 Monthly Progress Report

Ron, attached please find the monthly progress report for the Old American Zinc Site. The AOC states that copies of documents should also be provided to Greg Ratliff and Tom Turner. I am unsure if the progress reports are included in the documents to be provided to these individuals or if the IEPA contact is still correct.

I will also send you a hard copy of the progress report so that you have a signed copy for your files.
